FOOD ALLERGIES AND INTOLERANCES

If you have a food allergy, intolerance or coeliac disease, please speak to our catering team for further information about the ingredients in the food and drink before making your choice. Thank you

BOND

A £500.00 bond is payable in advance, to be refunded post-event should there be no cause to make a claim.

DRINK AWARE

In order to protect our licence, for events where the majority of guests are over 18, they will all be asked for proof of age as we have a strict Challenge 25 policy, and they will be asked for ID and be given a wristband to wear.

TRAFFIC AND DROP-OFF ARRANGEMENTS

There will be a special traffic plan in place. In advance of your event at York Racecourse, over-and-above wishing you all an enjoyable evening, we also want to do our utmost to ensure all our guests and visitors are as safe as can be on arrival, which can often be quite busy. You will receive an email including a useful map to help guide everyone, and ask that you share this with students and guardians.

NOISE MANAGEMENT

At York Racecourse, we are committed to being good neighbours and community champions, and part of that involves a venue noise management plan which means that all balconies will be closed and remain closed from 20.30hours.
